

Dear Tri-County Swim Families,

Here is your chance to put a shout-out in the Tri-County Program booklet. Space is limited, so the sooner you send in your ad, the better. Please email me and copy your Tri-county representative on it with the information you would like. Below is the pricing sheet. Please be advised that **no business/professional ads** may be used in these spaces. Some samples of what you can submit are below.

Thanks!
